

## **DIRECTORS' REPORT ON THE PROPOSALS ON THE AGENDA OF THE ORDINARY GENERAL MEETING OF THE SHAREHOLDERS**

**(17<sup>TH</sup> APRIL 2014 SINGLE CALL)**

### **Report on item 6 on the agenda and the relative resolution submitted**

#### **Proposal to authorise the purchase and utilisation of treasury stock; relative and consequent resolutions.**

To Our Shareholders,

In compliance with Art. 125-ter of Legislative Decree No. 58/1998 and with Art. 73 of the Regulations adopted with Consob resolution No. 11971 of 14<sup>th</sup> May 1999 and subsequent amendments ("Issuers' Regulations"), we inform you of the following.

On 17<sup>th</sup> April 2013 the Shareholders' Meeting of Recordati S.p.A. (hereinafter the "Company") authorised the purchase and utilisation of treasury stock until the date of the approval of the Financial Statements as at and for the financial year ended 31<sup>st</sup> December 2013.

On the basis of that shareholders' resolution, on 9<sup>th</sup> May 2013, a programme was commenced to purchase treasury stock to be used at the service of stock option plans already adopted by the Company and for those which may be adopted in the future, designed for employees of the companies in the Recordati Group. As part of the implementation of that programme, the Company purchased 1,083,070,00 ordinary shares for a total payout of € 8,809,761, between May 9<sup>th</sup> 2013 and October 9<sup>th</sup> 2013.

You are now asked to again authorise, within the limits and according to the procedures detailed below, the purchase and utilization of treasury stock.

This proposal fulfils various functions: it meets corporate requirements because the purchase of treasury stock, if authorised, will allow transactions to be performed such as the sale, contribution and exchange of treasury stock in order to acquire interests in companies and/or to reach agreements with strategic partners which form part of the Group's objectives for expansion; it meets requirements regarding the fulfilment of obligations resulting from the stock option plans already adopted by the Company and other stock option plans which might be approved in future also pursuant to, and for the purposes of, market practices concerning the purchase of treasury stock for the constitution of "share inventories" permitted by the CONSOB in accordance with Art. 180, paragraph 1, letter c) of Legislative Decree No. 58/1998 with resolution No. 16839 of 19<sup>th</sup> March 2009. Furthermore, the authorisation to purchase Treasury stock, if granted, will allow the Company to make investments, if required, on the stock market in its own shares, even through financial intermediaries and if required also pursuant to, and for the purposes of market practices concerning liquidity support permitted by the Consob in accordance with Art. 180, paragraph 1, letter c) of Legislative Decree 58/1998 with Resolution 16839 of 19<sup>th</sup> March 2009.

In order to achieve the objectives just mentioned, we propose that you authorise the Board of Directors, and the Chairman on its behalf, to purchase, even in one or more tranches, taking

account of the treasury stock already held, a maximum of 20,000,000 (twenty million) ordinary shares with a par value of € 0.125, corresponding to 9.56% of the current share capital of € 26,140,644,50 and in any event for a maximum amount of € 250,000,000 (two hundredandfiftymillion), a percentage and amount which, as detailed below, complies with article 2357 of the Italian Civil Code.

At the same time, we ask you to authorise, in accordance with Art. 2357-ter of the Italian Civil Code, the Board of Directors - and the Chairman on its behalf - to utilize, even in more than one tranche and for the purposes for which the authorisation is requested, the treasury stock that may be purchased, even by means of transactions subsequent to the purchase and sale, according to the procedures indicated below.

For the purposes of compliance with the third paragraph of article 2357 of the Italian Civil Code, we report that the share capital of the Company amounting to € 26,140,644,50 currently consists of 209,125,156 ordinary shares with a value of € 0.125 each.

We also report that on 5<sup>th</sup> March 2014 the Company possessed treasury stock of 6,275,110 shares, corresponding to 3.00% of the share capital.

The authorisation to purchase is requested until the date of the approval of the 2014 Annual Report. The utilisation of the shares purchased may occur without limits on the timing, exception being made for the provisions of the market practices already mentioned.

The Board proposes that the minimum unit price for the purchase should not be less than the par value of the RECORDATI S.P.A. ordinary shares (currently €0.125) and that the maximum price should not be greater than the average of the official stock exchange prices in the five sessions prior to the purchase, plus 5%.

With regard to the maximum limit on spending, the Board observes that in accordance with article 2357 of the Italian Civil Code, treasury stock may be purchased up to the limits of the distributable profits and the reserves available resulting from the last financial report approved. In this respect, it will be seen that in the financial statements of the Company as at and for the year ended 31<sup>st</sup> December 2013, submitted for your approval, the total amount of the reserves (not considering the distributable profits) already amounts to € 309,025,434:

Additional paid-in capital:	€ 83,718,523
Extraordinary reserve:	€ 135,411,817
Reserve formed following transition to IFRS standards:	€ 85,895,094

#### DATA TO BE UPDATED

We therefore observe that in view of the maximum price mentioned previously, the distributable reserves recognised are quite sufficient to allow any purchase of treasury stock there may be.

As concerns the procedures for purchase transactions, which may be performed in one or more tranches, the Board proposes that these transactions are performed on regulated markets in compliance with Art. 144 *bis*, paragraph one, letter b), of the Issuers' Regulations. Furthermore, if those purchase transactions are performed pursuant to and for the purposes of the market practices cited, permitted by the Consob in accordance with Art. 180, paragraph 1, letter c) of Legislative Decree No. 58/1998 with resolution No. 16839 of 19<sup>th</sup> March 2009, they must be performed in compliance with the operational conditions laid down for those practices by the resolution cited, including the limits concerning the payment made for the purchases and the daily volumes (paragraphs 15 to 23 of the market practices concerning

liquidity support; paragraphs 5 to 8 of the market practices concerning the purchase of treasury stock for the constitution of “share inventories”).

As concerns procedures for the utilisation, on the one hand it is proposed that shareholders authorise the Board of Directors - and its Chairman on its behalf - pursuant to and for the purposes of Art. 2357 *ter* of the Italian Civil Code to utilise - at any time, in one or more tranches and even before all possible purchases are made – the treasury stock purchased, by selling it on regulated markets either in lots or by public tender offer and, if it is the case, in compliance with the provisions of the market prices already mentioned. On the other hand, any treasury stock purchased may be used as payment for the purchase of shares and/or the conclusion of agreements with strategic partners and in any event, also to implement stock option plans already adopted by the Company or which may be adopted in future. Shareholders are therefore asked to grant the Board of Directors - and its Chairman on its behalf - the right to establish, as the occasion arises and in compliance with the relative legislation and regulations, the terms, procedures and conditions considered most appropriate, while the condition remains that the minimum price for the sale of shares cannot be less than their par value and that utilisations that may be made pursuant to and for the purposes of the market practices cited must be performed in compliance with the operational conditions laid down for the those practices by Consob Resolution No. 16839 of 19<sup>th</sup> March 2009. The Board of Directors will act in compliance with the disclosure obligations pursuant to Art. 144-*bis*, paragraph three of the Issuers’ Regulations and, if it is the case, with the disclosure obligations provided for by the market practices cited.

Finally the proposal for the purchase of treasury stock is not made for the purpose of reducing the share capital.

In the light of the information we have provided, we propose that you approve the following resolutions:

“The Ordinary General Meeting of the Shareholders of Recordati S.p.A.,

- having read the report of the Board of Directors, in compliance with Art. 125-*ter* of Legislative Decree No. 58/1998 and with Art.73 of the Regulations adopted with Consob resolution No. 11971 of 14<sup>th</sup> May 1999 and subsequent amendments
