Legislative Decree No. 58 of 24 February 1998

Article 126-bis (Integration of the agenda of the shareholders' meeting and presentation of new proposed resolutions)

1. Shareholders, who individually or jointly account for one fortieth of the share capital may ask, within ten days of publication of the notice calling the shareholders' meeting, or within five days in the event of calling the meeting in accordance with article 125-bis, paragraph 3 or article 104, paragraph 2, for the integration of the list of items on the agenda, specifying in the request, the additional items they propose or presenting proposed resolution on items already on the agenda. The requests, together with the certificate attesting ownership of the share, are presented in writing, by correspondence or electronically, in compliance with any requirements strictly necessary for the identification of the applicants indicated by the company. Those with voting rights may individually present proposed resolutions in the shareholders' meeting. For cooperatives the amount of the capital is determined by the statutes also in derogation of article 135.
2. Integrations to the agenda or the presentation of further proposed resolutions on items already on the agenda, in accordance with paragraph 1, are disclosed in the same ways as prescribed for the publication of the notice calling the meeting, at least fifteen days prior to the date scheduled for the shareholders' meeting. Additional proposed resolutions on items already on the agenda are made available to the public in the ways pursuant to article 125-ter, paragraph 1, at the same time as publishing news of the presentation. Terms are reduced to seven days in the case of shareholders' meetings called in accordance with article 104, paragraph 2 or in the case of a shareholders' meeting convened in accordance with article 125-bis, paragraph 3.
3. The agenda cannot be supplemented with items on which, in accordance with the law, the shareholders' meeting resolved on proposal of the administrative body or on the basis of a project or report prepared by it, other than those specified under article 125-ter, paragraph 1.
4. Shareholders requesting integration in accordance with paragraph 1 shall prepare a report giving the reason for the proposed resolutions on the new items for which it proposes discussion or the reason relating to additional proposed resolutions presented on items already on the agenda. The report is sent to the administrative body within the final terms for presentation of the request for integration. The administrative body makes the report available to the public, accompanied by any assessments, at the same time as publishing news of the integration or presentation, in the ways pursuant to article 125-ter, paragraph 1.
5. If the administrative body, or should it fail to take action, the board of auditors or supervisory board or management control committee fail to supplement the agenda with the new items or proposals presented in accordance with paragraph 1, the court, having heard the members of the board of directors and internal control bodies, where their refusal to do so should prove to be unjustified, orders the integration by decree. The decree is published in the ways set out by article 125-ter, paragraph 1.

Article 1711, second paragraph of the Italian Civil Code does not apply.
2. In any event, for the purposes of this article, conflict of interest exists where the representative or substitute:
 - a) has sole or joint control of the company, or is controlled or is subject to joint control by that company;
 - b) is associated with the company or exercises significant influence over that company or the latter exercises significant influence over the representative;
 - c) is a member of the board of directors or control body of the company or of the persons indicated in paragraphs a) and b);

3. Replacement of the representative by a substitute in conflict of interest is permitted only if the substitute is indicated by the shareholder. In such cases, paragraph 1 shall apply. Disclosure obligations and related onus of proof in any event remain with the representative.
4. This article shall also apply in cases of share transfer by proxy.

Article 135-undecies (Designated representative of a listed company)

1. Unless the Articles of Association decree otherwise, companies with listed shares designate a party to whom the shareholders may, for each shareholders' meeting and within the end of the second trading day prior to the date scheduled for the shareholders' meeting, including for callings subsequent to the first, a proxy with voting instructions on all or some of the proposals on the agenda. The proxy shall be valid only for proposals on which voting instructions are conferred.
2. Proxy is conferred by signing a proxy form, the content of which is governed by a CONSOB regulation. Conferring proxy shall be free of charge to the shareholder. The proxy and voting instructions may be cancelled within the time limit indicated in paragraph 1.

3. Shares for which full or partial proxy is conferred are calculated for the purpose of determining due constitution of the shareholders' meeting. 1. A liability action may be brought against directors pursuant to a resolution approved by shareholders, even if the company is in liquidation.
2. A resolution relating to the responsibility of directors may be put to the vote at a general meeting called for approval of the annual financial statements, even if such resolution is not on the meeting agenda, provided that it relates to matters occurring within the period to which the financial statements relate.
3. A liability action may also be brought by a resolution of the board of statutory auditors passed by a two-thirds majority of its members.

In such an event, shareholders shall provide for the replacement of that director.
6. The company may waive its right to bring liability action and accept a settlement, subject to the waiver and settlement having been approved by shareholders, and provided that such motion is not opposed by minority shareholders representing at least one fifth of share capital, or, for listed companies, at least one-twentieth of share capital, or such percentage as may be established in the company's by-laws in relation to derivative actions brought by the company pursuant to Article 2393-*bis*.
